

## PCB HOLDER

24-20x-1662

### Product specifications 24-204-1662

Material:	conductive carbon-loaded PS
Colour:	black
Surface resistance:	$< 10^5 \Omega$
Shelf life:	permanent
Heavy metals:	$< 100$ ppm (RoHS compliant)
Maximum using temperature:	60°C

### Product specifications 24-202-1662

Material:	conductive carbon-loaded ABS/PC
Colour:	black
Surface resistance:	$< 10^5 \Omega$
Shelf life:	permanent
Heavy metals:	$< 100$ ppm (RoHS compliant)
Maximum using temperature:	110°C

### Sizes and Part Numbers

Reference	External dimensions (mm)	Number of slots
24-204-1662	500x222x162	35
24-202-1662	500x222x162	35
